Domains: Creative & production ops · Digital marketing · eCommerce/web · Localization · Business development

Industries: Retail · CPG · Energy · QSR · eCommerce · Financial Services · Healthcare · Technology · Travel & Hospitality

EXPERIENCE

Project Manager, Marketing & Creative Operations

Aug 2025 – Apr 2026

Carson Wealth Management · via Aquent · Contract · Hybrid

- Delivered digital marketing operations for a 50+ office partner network, sustaining 90% SLA compliance across 100+ weekly requests while cutting average turnaround time 15%.
- Aligned cross-functional delivery across 4 departments, standardizing intake and handoffs to reduce missed deadlines 10%.
- Took over the Email Automation Workflow, streamlining the process and reducing intake by 1 day
- Drafted onboarding docs and trained new PM resources.

Senior Project Manager, Open Enrollment

Jul 2025 – Oct 2025

UnitedHealthcare · Betty Agency · via Evermore Creative Circle · Contract · Hybrid

- Delivered 100% on-schedule production of 300+ editorial assets across a fixed 12-week Open Enrollment window.
- Ran stage-gate control across creative, copy, legal, and client review, sequencing handoffs to protect regulated review from becoming a bottleneck.
- Managed asset-level progress and risk on a recurring cadence against immovable milestone dates under peak volume.

Project Manager, Talent & Influencer Engagement

Oct 2023 – Sep 2024

Target — Engagement Marketing · via Digital People · Contract · Hybrid

- Delivered 5 concurrent engagement-marketing campaigns (Essence Fest, Black History Month, Future Collective x Jenny Lopez, Bullseye NYC Christmas), coordinating 10+ agency and partner teams across 5+ channels and 50+ assets per cycle.
- Coordinated external partners including Wasserman, Refinery29, GMR, and Roundel, holding fixed cultural launch dates under concurrent load.
- Aligned 8+ executive stakeholders across talent and influencer workstreams; engagement extended from a 3-month backfill to 12 months on delivery.

Traffic & Resource Manager, Creative Operations

Aug 2023 – Jul 2024

Synchrony Financial · via Aquent · Contract · Hybrid

- Governed creative resourcing and delivery as a Workfront Administrator, cutting average project delivery time ~20% and lifting visibility across ~90 monthly requests.
- Ran hybrid capacity planning across five portfolios and the full creative org, leveling load through the request queue, workload balancer, and studio calendars.
- Drove Workfront process improvements and QA'd new feature releases; partnered with the Director of Operations to beta-test internal training modules.

Project Coordinator, Digital Marketing

Feb 2023 – Aug 2023

Marriott Vacations Worldwide · via Ektello · Contract · Hybrid

- Delivered integrated marketing communications across 20+ global properties, maintaining 95% on-time delivery across 40+ concurrent production schedules in Workfront.
- Managed localization workflows for Spanish and Mandarin-speaking markets, adapting 100+ assets per cycle to international requirements.
- Ran hybrid production scheduling against fixed release dates while holding approval and localization gates to protect downstream timelines.

PMO Lead, Creative & Production

May 2022 – Feb 2023

Axon Studios · via WorkSandy · Contract · Hybrid

- Stood up the PMO as first PM for an 8+-person film/content studio, migrating the team from Asana to Monday.com with 100% adoption and automating workflows across all departments.
- Built creative operations infrastructure supporting 10 concurrent productions across 15+ original content series, forecasting staffing with production leadership.
- Drafted and managed 5+ resource contracts totaling \$1M+ in production value; oversaw LA studio real estate negotiations against a \$100K budget.

Account Manager, Creative Resourcing

May 2022 – Feb 2023

Axon Studios · WorkSandy · Full-time · Business Development

- Owned the Axon Studios account end to end as sole account lead, bridging WorkSandy and client leadership to anticipate staffing needs and identify \$100K in new project opportunities.
- Scoped and sourced freelance creative talent against active productions, building resourcing roadmaps, scopes, and budgets and onboarding secured hires.
- Produced client-facing decks and pitches to brief new projects and sell in expanded scope under light C-level oversight.

Project Manager, PMO

May 2021 – Feb 2022

Microsoft & Mastercard · Designit · Full-time · Hybrid

- Served as Scrum Master for a product team across 2 workstreams, running hybrid delivery that paired sprint ceremonies with fixed GTM launch milestones.
- Supported GTM delivery across Brand, Microsoft, and Mastercard initiatives, contributing to 2 product MVP releases in 8 months.
- Developed 2 business development proposals scoping \$500K in potential new business.

Project Manager, Advertising & Creative Operations

Jul 2020 – May 2021

VML (fka Wunderman Thompson) · Full-time · Hybrid

- Managed 3+ concurrent accounts (Church's Chicken, Scana Energy, Shell) across QSR, energy, and new business, overseeing \$2M+ in project budgets at 90% on-time delivery.
- Led multichannel campaign production across 5+ channels, delivering 10+ assets per cycle while coordinating remote teams across 3 time zones.
- Contributed to new-business pitches and proposals valued at \$500,000.
